

Federal Aviation Administration Air Traffic Organization

ATO Chief Operating Officer Russ Chew

ATO Transition Senior Vice President Peter Challan

- Transition Executive, Jim Link
- Transition Executive, Shirley Miller
- Director of Activity Value Analysis, Henry Gonzalez (Detail)
- John Wiley (Detail)
- Air Traffic Realignment, John L. Pipes (Detail)
- Change Management, Isa Campbell
- Carmela Vaccarella (Detail)
- Wendie Chapman
- Steve Rothschild

Safety Vice President Jim Schear

- Director of Independent Operational Test & Evaluation, Joe Schanne
- Director of Safety Risk Management, Roberta Leftwich
- Manager of Safety Administration, Sandra Hershey
- Director of Safety Evaluations, Jim Fossey
 - Fort Worth Evaluation Office, Dave Medina
 - Headquarters Lead Evaluator En Route & Oceanic, TBD
 - Headquarters Lead Evaluator Terminal, TBD
 - Headquarters Lead Evaluator AFSS/FSS, TBD
 - Dulles Evaluation Office, Preston Haynes
 - Evaluation Support & Special Projects Office, Charles Thorpe
- Director of Runway Safety & Service Operations, Bill Davis
 - Risk Reduction Information, Jeff Loague
 - Risk Reduction Projects, Arthur Sullivan
 - Risk Reduction Products Team, TBD
 - Field Operations, TBD
- Manager of Safety Budget & Planning, Peggy Landgrover

Communications Vice President Sandra Sanchez

- Manager of Owner Communications, TBD
- Manager of ATO Customer Communications, TBD
- Manager of ATO Employee Communications, TBD
- Manager of Communications Administration & Business, Terry Snyder
- Manager of Communications Support Services, TBD
- Director of Flight Services Communications, Nancy Kalinowski

Operations Planning Vice President Steve Brown

- Manager of Operations Planning Policy and Administration, Lisa Bee
 - Employee Services, Christine Kling
 - Performance Management, TBD
 - Correspondence Control, TBD
 - Communications, TBD
 - Property & Logistics, TBD
 - Weather Policy & Standards, R Heuwinkel

- Manager of Operations Planning Finance, TBD
- Director of Systems Engineering, John Scardina
 - NAS Operational Concept Development & Validation, Rich Jehlen
 - NAS Service Engineering, Steve Bradford
 - NAS Technical Engineering, Ann Tedford
 - NAS Architecture, Kip Spurio
 - Engineering Management Services, Jane Caldwell
 - NAS Integrated Change Management, Faye Jordan
- Director of Business Planning and Development, Norm Fujisaki
 - Business Development, G. Shearer
 - Business Strategy Development, TBD
 - Business Planning, David Chin
 - Operations Planning Service Unit Planning, C. Mauro
 - Business Case Analysis, M. DiPasquantonio
 - Cost Analysis, A. Harball
 - Operations Research, F. Melone
- Director of Performance Analysis, Paula Lewis
 - Capacity Planning, Nick Johnson
 - Performance Measurement, James A. McMahon
 - ATO Data Systems & Analysis, TBD
 - ATO Metrics & Tools, David Knorr
- Director of International, Jack Howell
 - Operations & ATM Services, Drazen Gardilcic
 - Global Strategy & Planning, Carey Fagan
 - Administration & Special International Activities, TBD
 - Joint Planning & Development Office (JPDO) Liaison, TBD
- Director of Technology Development, Wilson Felder
 - Planning & Technology Scouting, Ken Leonard
 - Regional Programs, Steve Ritchey
 - Interagency Coordination, TBD
 - Future Surveillance, Paul Fontaine
 - Surface Systems, Jaime Figueroa
 - Data & Communication Systems (dotted line), John Loynes
 - Capstone, Jim Hebert
- Director of Aviation Research, Joan Bauerlein
 - Human Factors Research & Engineering, Mark Rodgers
 - Research Planning, TBD
 - Airport & Aircraft Safety, Pat Lewis
 - Weather, TBD
- Director of the William J. Hughes Technical Center, Anne Harlan
 - Innovations & Solutions, John Wiley
 - Knowledge Management, Dennis Filler
 - Human Capital Strategies, Terri Dipompo
 - Enterprise Performance, Annie Clark
 - Operations Technology and Acquisition, Shelly Yak
 - Senior Corporate Officer for Transition, Ron Esposito
 - Congressional Liaison, Kaye Jackson
- Operational Evolution Plan Manager, Gisele Mohler

Finance Senior Vice President Gene Juba

- Director of Operating Budgets, Chris Reese
- Director of Capital Expenditures Programs, Rob Tucker

- Director of Capital Program Analysis, TBD
- Director of Financial Analysis and Process Reengineering, TBD
- Director of Financial Systems and Performance Reporting, Penny Mefford
- Manager of Corporate Real Estate, TBD
- Manager of Financial Controls, TBD
- Manager of Finance Administration, Jane Caldwell
 - Communication, TBD
 - Business Services, TBD
 - Correspondence Control, TBD
 - Human Resources, TBD
- Manager of Workforce Planning, Debra Griffith

Acquisition and Business Services Vice President Dennis DeGaetano

- Director of ATO Information Technology, Dennis Filler
 - Data Services, Rick Ford
 - Resource & Performance Management, TBD
 - Engineering & Configuration Management, TBD
 - Operations Center, Rich Boe
 - Training, TBD
 - Security, TBD
 - Technical Services, Robert Tobin
- Director of Workforce Services, Steve Rothschild
 - Operational Labor Relations, Bill Buck
 - Technical Operations Labor Relations, Ferrol Thomas
 - Employee Relations, Wanda Reyna
 - Customer Services, Cynthia Banks
 - Employment Programs, Keith Washington
 - ATO Compensation, Tony Tisdall
 - Performance Management & Executive Programs, Heather Biblow
- Manager of Facility Management, John Graham
 - Space & Property Management, TBD
 - Resource & Financial Management, TBD
 - Design & Construction, Dan Goldsmith
 - Operation & Maintenance, Bill Sayre
 - Safety/Environmental & TELCO, TBD
 - Nationwide Rent Program, Laura Sullivan
 - Resource Management, Thelma Bagley
- Director of ATO Workforce Development, Lauraline Gregory
 - Infrastructure Division, Dick Cullins
 - Strategic Human Capital Planning & Evaluation Division, Cindy Roache
 - Technical Operations Training Division, Greg McGuirk
 - Controller Training Division, Charles Saunders
 - Acquisition Workforce Training & Development Division, Frank Patrick
 - Leadership & General Workforce Training & Development Division, Mike Patsfall
 - Customer Service Division, Brenda Brooks
 - Mission Support, Norma Saafir
- Director of Acquisition Policy and Contracting, Debbie Wilson
 - Logistical Support Division, Marcia Biseneus
 - Acquisition Planning & Policy Division, Rebecca Taylor King
 - Technical Operations Quality Assurance Division, Ed Huntzinger
 - Terminal/En Route & Oceanic Quality Assurance Division, Bob Laws
 - Contracting for En Route & Oceanic Division, Mark Brady

- Contracting for Terminal Division, Bill Hohe
- Contracting for Technical Operations Division, Helen Pernell
- Contracting for Services Division, Brian Isham
- **Director of Competitive Sourcing, Joann Kansier**
 - Business Operations, Ragna Aarnio
 - AFSS Acquisition, Jim Little
 - Field Operations & Implementation, Marilyn Jackson-Brame
 - Planning, Control & Integration, Bob Fitzpatrick
- **Manager of Acquisition and Business Services Administration, David Kerr**
- **Resource Management, TBD**
- **Office of Small Business Development, Inez Williams**
- **Office of ATO Model Workplace and Diversity Advocate, Kathy Randall**
- **Deputy Chief Counsel (Liaison), Jay Dillman**

En Route and Oceanic Services Vice President Charles Keegan

- **Director of En Route Programs, Don Stadtler**
 - En Route Future Automation, Maureen Knopes
 - En Route Current Automation, TBD
 - En Route Communications & Surveillance, J. C. Johns
 - En Route Program Support, Me Tin Cheung
 - En Route Domain Systems Engineering, Rowena Mendez
 - En Route Field Support, Bernard Hanlin
 - En Route Facilities Management, Gerard Oswald
 - Information Control, TBD
- **Director of Oceanic and Offshore Programs, Dave Ford**
 - ATC Systems Program Manager, John McCarron
 - System Test & Support, Terry Moore
 - Traffic Advisory Systems, Kevin Chamness
 - Team Leader for Field Infrastructure Support, TBD
 - Team Leader for Program Support, Aaron Wilkins
 - Team Leader for Service Performance Analysis, Michele Merkle
 - Chief Systems Engineer, Kevin Grimm
 - Program Administration Lead, April Hart
- **Director of Safety and Operations Support, Luis Ramirez**
 - En Route Operations Standards, Dan Smiley
 - Oceanic Operations Standards, A. Moore
 - National Quality Assurance, Terry Mello
 - Tech. Performance Support, Debbie Archut
 - Operational Performance Support, Ardyth Williams
 - Eastern Area Quality Assurance, TBD
 - Central Area Quality Assurance, TBD
 - Western Area Quality Assurance, TBD
 - Air Traffic Training (liaison to Oklahoma City staff), TBD
- **Director of Safety and Commitment Assurance, Mike Gough**
 - Compatibility Assurance (Across, Integration), TBD
 - Performance Assurance (Look In), TBD
 - Customer Assurance (Look Out), Mamie Mallory
 - Safety Assessments & Effectiveness, TBD
 - Safety Risk Management (SRM) Operations (Day to Day), TBD
 - Safety Policy & Planning, Clarence Butcher
 - Safety Tactical Compliance (Hot Issues), TBD
 - Safety Risk Management (SRM) Technology Implementing Change, Claire Robinson

- Director of Finance and Planning, Greg Burke
 - National Based Planning, Gary Mileski
 - Eastern Area Local Planning, Bob Hiller
 - Central Area Local Planning, D. Williams
 - Western Area Local Planning, TBD
 - Performance, B. Bradford
 - Configuration Management, TBD
 - Comptroller, Glenn Halbert
 - Business Operations, Pat Reese
- Transition Team Liaison, John Thornton
- Manager of En Route and Oceanic Administration, Peggy Gervasi
 - Executive Support, Teresa Thomas
 - Logistics Support, Barbara Catterton
 - Facilities Liaison, Patricia Finley
 - Data Management, TBD
 - Information Technology Liaison, R. Anderson
 - Workforce Development Liaison, Paula Wade
 - Labor Management Relations Liaison, TBD
 - Workforce Services Liaison, Veronica Green
- Director of Western En Route and Oceanic Area Office, Raul Trevino
- Director of Central En Route and Oceanic Area Office, Herman Lyons
- Director of Eastern En Route and Oceanic Area Office, Rick Day

Terminal Vice President D. Bruce Johnson

- Director of Terminal Program Operations, Nancy Chapman
 - Terminal Surveillance, Vincent Capezzuto
 - Focus Program ASR-11, Jim Linney
 - Terminal Weather, Joanne Pino
 - Terminal Automation, Malcolm Andrews
 - Focus Program STARS, Rob Hanes
 - Terminal Field Operational Support, Teri Bristol
 - Terminal Facilities, Wilmer Hunter
 - Focus Program Deer Valley, TBD
 - Program Integration, Mike Bateman
 - Program Management, Maria Tavenner
- Director of Terminal Safety and Operations Support, Mike Cirillo
 - External Terminal Customer Support, Sharon Kurywchak
 - Federal Contract Towers, Harold Thomas
 - Airspace Procedures, David Madison
 - Quality Assurance, Anthony Ferrante
 - Operations Analysis, Howard Swancy
 - Technical Operations Interface Support, Barbara Fisher
 - Contract Weather, Anthony Johnson
 - Internal Terminal Customer Support, TBD
 - Senior Safety Engineer, Alan Feinberg
- Director of Terminal Planning, Debbie Johnson
 - Regional Account Managers: A Bantly, M. Gardiner, G. Beaupre, G. Neilsen, J. Speckin, L. Perkins, J. Jensen, K. Stewart, S. Savage-Lebhart
 - Strategic Planning & Performance, Tom Skiles
 - Work Planning & Integration, Pam Foss
 - Systems Engineering, Jay Merkle
 - Internal Terminal Planning Support, TBD
- Director of Terminal Finance, Dan Kinder

- Manager of Terminal Administration, Ann Marie Sadler
 - Executive Support – Program Management Analyst, Patrice Allen-Gifford
 - Communications, Linda Walker
 - Logistics, Ann Thorne
 - Labor Management Relations – Program Management Analyst, Ronald Frampton
 - Information Resource Management – Computer Specialist, Ed Keil
 - Transition – Program Management Analyst, Patty Dollin
 - Customer Service Internal & External, Gerrie Cappello
- Director of Western Terminal Area Office, John Clancy
- Director of Central Terminal Area Office, Nancy Shelton
- Director of Eastern Terminal Area Office, Rick Ducharme
- Transition Team Liaison, Viscount Thurston

Flight Services Vice President Jim Washington

- Director of Safety and Operations Support, Thomas R. Davidson
 - Quality Assurance, David Cherry
 - Operational Procedures, Peter Quinn
 - Operational Implementation, Anthony W. Johnson
 - Equipment Implementation, Carol Gaunt
 - Contract Weather Observation (CWO) Program Manager, Cynthia Schauand
 - Terminal/En Route Liaison, Monica Bradford
- Director of Flight Services Program Operations, John Staples
 - Capital Budget & Investment Analysis, Lenka Johnson
 - Business Management & Control, Mark Hoover
 - Products & Services, Rudy Watkins
 - In-Service Management, James Scott
 - Facilities Management, Larry Martin
 - Performance Management, Lou Keith
- Director of Flight Services Finance and Planning, Victoria Cox
 - Comptroller, TBD
 - Planning, TBD
 - Acquisition/Analysis, TBD
 - Transition Liaison, Lou Keith
- Manager of Flight Services Administration, Vanessa Scott Waddy
 - Executive Performance Management & Labor Relations, Lois Smith
 - Administrative Management, Nadine Adams
 - Logistics Management, Bonita Sutler
- Project Manager of Most Efficient Organization (MEO), Bob McMullen
- Director of Alaska Flight Services Area Office, Judy Heckl
- Director of Western Flight Services Area Office, Paul Sheridan
- Director of Eastern Flight Services Area Office, William Yuknewicz

System Operations Vice President Linda Schuessler

- Director of System Operations, Jack Kies
 - System Operations Air Traffic Control System Command Center (ATCSCC), Mike Sammartino
 - Customer Focus Liaison, TBD
 - Quality Assurance, Ellen King
 - Manager Tactical Operations (MTO) NE-US, Carmine Gallo
 - Manager Tactical Operations (MTO) SE-US, Doug Molin
 - Manager Tactical Operations (MTO) MW-US, Bob Everson
 - Manager Tactical Operations (MTO) WP-US, Jim Burgan

- Manager Tactical Operations (MTO) SW-US, Rob Lowe
- Director of System Operations Security, Frank Hatfield
 - Military Operations, Alton Scott
 - Field Operations, Cliff Armstrong
 - Crisis Responses, Joe Miller
 - National Capitol Regions Operations, Brian Throop
 - Domestic Event Network, Maurice Howland
 - Special Operations, Rick Hostetler
 - Military Procedures, TBD
- Director of System Operations and Safety, Sabra Kaulia
 - System Safety & Procedures, TBD
 - Publications, Pat Beam
 - Aeronautical Information Management, Barry Davis/Dick Powell/Brenda Hawkins
 - Airspace & Rules, Reggie Matthews
 - Environmental Programs, Edie Parrish
 - National Airspace Redesign (NAR), Rodger Dean
 - High Altitude Redesign (HAR) Program, John Timmerman
 - Required Navigation Performance/Area Navigation (RNP/RNAV) Programs, Jeff Williams
- Director of System Operations Programs, Dan Gutwein
 - Programs Operation Support, Tim Grovac
 - Programs Domain Systems Engineering, James Wetherly
 - Focus Program Traffic Flow Management (TFM) Modernization, Josh Gustin
 - Traffic Flow Management (TFM) Programs, Don Ward
 - Focus Program Traffic Flow Management (TFM) Weather Programs, TBD
 - Notices to Airmen (NOTAMS) Programs, Dan Horton
 - Programs Support, Bud Morgan
- Director of System Operations Planning, Pamela Seldon-Moore
 - Systems Engineer, TBD
 - Cross-Service Planner, Ralph Taylor
 - System Operations Planner, TBD
 - Metrics Planner, TBD
- Manager of System Operations Administration, Cathy Shema
 - TM Specialist, Gerry Shakley
 - Administration Assistant, Sherlita Nichols
 - Management Assistant, Tina McClure
 - Administrative Program Coordinator, TBD
 - Congressional Specialist, Denise Bathed
 - Congressional Specialist, Naydeen Minor
- Comptroller of System Operations, Anne Joyce
 - F&E Specialist, TBD
 - PC&B Specialist, TBD
 - Ops Specialist, TBD
 - Unit Cost Analysis Specialist, TBD
 - Contracts, TBD
- Manager of Litigation, Jeff Myers
 - Litigators, James Morin, Wayne Pierce
 - OE/OD Database Specialist, Mary Bradley, Cassandra James (detail)
 - Accident Package Review/Litigation, Robin Holmes
 - Classifier, TBD

Technical Operations Vice President Steve Zaidman

- **Director of Technical Operations Field Services, Bob Long**
 - Implementation Services, TBD
 - Field Engineering Services, TBD
 - Alaska Field Services Division, Alan Hansen
 - Northwest Mountain Field Services Division, Ed Moy
 - Great Lakes Field Services Division, Maureen Woods
 - New England Field Services Division, John Zalenchek
 - Southern Field Services Division, Bill Lindsey
 - Central Field Services Division, Teresa Hudson
 - Western Pacific Field Services Division, Robert Strong
 - Southwest Field Services Division, Jo Tarrh
 - Eastern Field Services Division, Barry Boshnack
- **Director of Technical Operations Navigation Services, Dan Salvano**
 - Navigation Business Management Services, Robert Stanzione
 - Global Positioning System (GPS) Satellite-Based Augmentation Navigation Services, Hal Bell
 - Global Positioning System (GPS) Ground-Based Augmentation Navigation Services, Leo Eldredge
 - Ground Systems Navigation Services, Manny Vega
 - Lighting Systems Navigation Services, Lansine Toure
 - Technical Support Services, Phil Leoma
 - Business Management, Julie Gatling
 - Chief Systems Engineer for Navigation Services, Joe Fee/Harry Kane
- **Manager of Technical Operations Administration, Sherry Taylor**
 - Field Evaluation Office, Mike Kruger
 - Employee Services Liaison, Marcia Corey
 - Property/Logistics, TBD
 - Correspondence/Directives, TBD
- **Director of Technical Operations Support, Rick Thoma**
 - Business Management, Rebecca Deloney
 - National Airway Systems Engineering, James Pritchard
 - Communications, Flight Services & Weather Engineering, Fran Bourne
 - National Operations, Mary Golia
 - Service Management, Rita Estrada-Cavallini
 - National Airspace System (NAS) Defense/Security, Jim Arrasmith
 - National Airspace System (NAS) Support, Wayne Rogers
 - Organizational Liaison, TBD
- **Director of Technical Operations Air Traffic Control Communication Services, Henry Gonzalez (Jim Williams – Acting)**
 - Air Traffic Control (ATC) Communications Program Control, TBD
 - Chief Systems Engineer for ATC Communications, Jim Eck
 - Air Traffic Control (ATC) Communications Financial Management, Dave Joyce
 - Air Traffic Control (ATC) Telecommunications Services, Steve Dash
 - Air Traffic Control (ATC) Voice Switching & Recording, Bill Syptak
 - Air Traffic Control (ATC) Communications Requirements, Janice Hooten; Gregg Anderson, Lead
 - Air Traffic Control (ATC) Air-Ground Communications Solution Development, Sandra Anderson
 - Air Traffic Control (ATC) Air-Ground Communications Solution Implementation, Dieter Thigpen
- **Director of Technical Operations ATC Facilities, Jack Nager**
 - Power Services, Joe Morgan
 - Energy, Occupational Safety & Health (EOSH) Services, Jere Hayslett
 - Facilities Services, Juaida Norrell
 - Integration Services, Susan Knapton
 - Operational Services, Ken Sander
 - Implementation Services, Elizabeth Rand

- Facility Security Services, Chris Fay
 - Chief Systems Engineer for ATC Facilities, Alice Wong
- Director of Technical Operations ATC Spectrum Engineering Services, George Sakai
 - Chief System Engineer for Spectrum Services, Oscar Alvarez
 - Spectrum Assignment & Engineering Services (and Dorothea Biernesser, Military Liaison), Jerrold Sanders
 - Spectrum Planning & International Services, Donald Willis
- Director of Technical Operations Aviation System Standards, Tom Accardi
 - National Flight Procedures, Fred Anderson
 - Flight Inspection Operations, Dave Boulter
 - Aircraft Maintenance & Engineering, Tom Pickle
 - National Aeronautical Charting, Terry Laydon
 - Washington Flight Program Division, Paul Wiater
 - Flight Program/Franchise Fund Manager, Joe Doubleday
 - Business Management, Karen Shupe
- Director of Technical Operations Business Operations, TBD
 - Capital Programs, TBD
 - Operations Programs, TBD
 - Technical Operations Planning, TBD
- Director of Technical Operations Safety Management, Jim Williams

TBD = To Be Determined
